

Thank you all for your kind donation of £416.29 to Save the Children. Your generosity allows us to continue helping some of the world's most vulnerable children.

Save the children focuses on children first because we believe all children deserve the best start in life. Unfortunately, many of the world's children don't have access to basic services such as food, clean water, healthcare and education. We believe children have the right to live in a world where they have hope and opportunity. That's why we aim to deliver immediate and lasting improvements to children's lives in the UK and world-wide.

Here are some examples of how your donation may help.

£100 will cover the cost of a heater for a neonatal intensive care unit in Pakistan

£200 will buy a deliver bed for a hospital in Somaliland.

£400 will buy food baskets for 100 families for one day.

So thank you once again for your invaluable support.

Your Sincerely

Stefanie Rees
